55 PLUS GROUP ----- SAGE = SPIRITUAL AGE

----- HAPPY NEW YEAR - 2007 -----

Forty members and guests met for our first luncheon meeting of the year 2007 with John Lichoff saying grace and a poem written and recited by Wayne Allen.

On December 13th, twelve of us went to Berardi's in Huron for dinner and then on a tour of Christmas lights at Sawmill Creek. We were not disappointed as the lights were more plentiful and beautiful than ever.

SUPPORT FOR YOU I support our troops ---- But I also support you ----The teacher, the bus drivers ---- Our friends, and family ...*... I support those who are old but wise ---- The people who work for a living ---- And even those who have no home ---- Because you are the ones that hold the knowledge ----- Of the years and the hope of tomorrow ...*... You are the ones who we learn about in schools ---- And you made the freedom we have today ---- So to you I give my support and love ...*... In hope these few words will be enough --- To make you proud of the world ---- And the U.S.A. that you made.

This is a poem written by 17 year old Sarah M. Willman from West Virginia

The new tentative 2007 calendar of events are on the backside of this newsletter. All information as to who to contact and when our monthly and quarterly meetings are to be held are also listed. Remember this is a tentative calendar and nothing is written in stone! Weather and other circumstances sometimes change within the year, making necessary changes to our calendar of events. Also we sometimes find something we would like to do that is not listed and we do it if there is enough interest. We have a lot of fun events scheduled for this year so come join in the fun and bring a friend!

On Wednesday, January 10th we will be visiting the Baptist Church located on Benedict Avenue by Fisher- Titus Hospital. We will meet at the church at 11:00 A.M. for the tour with lunch following at the Fisher-Titus lunch room. All are welcome.

Our next luncheon meeting will be at Sugar Creek on Wednesday, February 7th at 11:30 A.M.. Enjoy this great weather----- IS THIS OHIO?!?!??
