

55 PLUS GROUP ----- SAGE = SPIRITUAL AGE

----- A SPOOKY HELLO TO EVERYONE -----

John Lichoff led thirty-nine members and guests in prayer at our October luncheon meeting. Wayne Allen recited one of his great poems.

Our Day in the Log Cabin on September 12th was one of great success with 85 in attendance from 10 different parishes. Fr. Earl Leoffler even gave us a nice new name, "Wisdom Folks".

JUST WONDERING?..... The dictionary describes Indian Summer as a period of mild weather occurring in late autumn or early winter---- a pleasant, tranquil, or flourishing period occurring at the end of something. But the name Indian summer makes one wonder whether this is a time of year when the Native American Indian took advantage of the last beautiful days before winter to collect and gather for the long months ahead ----- thus calling it the Indian's Summer!!!
